Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to the references **DB** to **DT** listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant." Pursuant to the amendments to 37 C.F.R. 1.98(a)(2) announced in the September 21, 2004 Federal Register, copies of U.S. patents and published U.S. patent applications are no longer required to be submitted in connection with the filing of an Information Disclosure Statement, regardless of the filing date of the subject application. See 69 Fed. Reg. 56482, 56510. Accordingly, only copies of references **DL** to **DT** are submitted herewith.

Identification of the listed references is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application.

Applicants respectfully request that the Examiner review the foregoing reference and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b)(4), Applicants estimate that no fee is due in connection with the filing of this Information Disclosure Statement. However, should the Patent Office determine otherwise, please charge the necessary fee to Jones Day Deposit Account No. 50-3013.
